Endorsement Of Steve Sanson

We are happy to endorse Steve Sanson for his candidacy for Las Vegas City Councilman of Ward Six. Las Vegas is a run away boom town without proper leadership, planning and stewardship. Now we have a Marine who has come forth to take up the challenge and make Las Vegas live up to it's own "Vision Statement," which claims to be "a vibrant, affordable, and diverse city of opportunity in which all citizens enjoy their neighborhoods, feel safe, and know they will be heard." This is a joke and Steve Sanson knows that this has not yet happened anymore than the city's claim that, "Your City Council carefully considers all the facts before a decision is made." Steve Sanson is the man to make things happen and make the city live up to it's claims. There are too many 'Girlymen' in City Hall and we need a US Marine with balls in there to lead others and show them the way to go. We have that man in Steve Sanson and he will not turn his back on neighborhoods in need and will work with all of the neighborhood associations to make this a better place to live and raise a family. Steve Sanson is a born leader and gets the job done. That is why our organization supports Steve Sanson.
